Product notes

- Bank of England base rate, officially known as Bank of England repo rate, is currently 3.75%. Santander's Standard Variable Rate is currently 6.50%.

General notes

- Interest is calculated on a daily basis and charged monthly for all products.
- Variable rate tracker products are subject to a minimum rate of 0.0001%.
- Product fees are charged on some of our products. Where the fee has been added to the loan, it will attract interest over the term of the mortgage. Your client can repay this up to 21 days after completion without incurring any interest on the product fee.
- Our standard mortgage offers are valid for six months from the date of issue or up to the product completion deadline, whichever comes first.

Product fee refund policy

We'll refund the product fee up to completion if the application is cancelled.

Offer validity

Our new build offers are valid for 9 months for clients who take one of our new build property products. Exceptions apply to clients porting with no top up product or staying on SVR. In these cases, the client's offer will be valid for 9 months if they're buying a new build home.

Product notes continued

Shared Ownership

Shared Ownership is only available where the share being purchased is between 25% and 75% of the property's value (50% and 75% for Northern Ireland).

Product eligibility for a shared ownership purchase is based on the share the customer is purchasing.

The maximum LTV for a Shared Ownership purchase is 90%. The customer must put down a minimum deposit of 10% of the share they plan to purchase.

For example:

Purchase Price	Customer share	Deposit	Product LTV
£150,000	£75,000 (50%)	£7,500	Deposit 10% - 90% LTV
£325,000	£81,250 (25%)	£20,315	Deposit 25% - 75% LTV
£450,000	£337,500 (75%)	£135,000	Deposit 40% - 60% LTV
£200,000	£100,000 (50%)	£5,000	Deposit 5% - No product available

Early repayment charges (ERC)

The percentage charge your client will pay to end their mortgage early. The same charge applies to overpayments greater than the annual overpayment allowance. The charge is stepped which means it reduces over the term of the deal. Full details can be found in the mortgage offer document, which is sent to your client.

Fixed rate ERCs

Step	1 year fixed	2 year fixed	3 year fixed	5 year fixed
1	1.00%	2.00%	2.00%	5.00%
2		1.00%	2.00%	5.00%
3			1.00%	3.00%
4				3.00%
5				1.00%

Tracker rate ERCs

Where indicated, for products that have 'No ERC', your client can pay off as much as they like without an ERC.

Overpayments

If your client isn't on a fixed rate: they can make unlimited overpayments without paying an ERC.

If your client is on a fixed rate: they can overpay up to 10% of any fixed rate loan part each calendar year (January to December) without paying an ERC. If they don't use their full 10% allowance in any calendar year, they won't be able to carry it over to future years.

If they overpay more than 10% of the outstanding balance each calendar year, they'll have to pay an ERC on the amount over 10%. They can find out what their ERC will be in Mobile or Online Banking, their latest mortgage offer or annual mortgage statement.

They won't be able to use the 10% allowance if they're paying off their mortgage in full or transferring to a new deal where they need to pay an ERC.

- **Multiple loans with different product codes:** the 10% allowance applies to each product rather than the total outstanding balance.
- **Multiple loans with the same product code:** the 10% allowance for each product can be combined and the overpayment allocated to individual loan parts, even if this means a loan part is fully repaid.

Loan number	Balance	Product code	Overpayment allowance
1	£100,000	M123R	Maximum £20,000. This can be allocated to loan 1 or 2 or split between both.
2	£100,000	M123R	Maximum £20,000. This can be allocated to loan 1 or 2 or split between both.
3	£100,000	K456V	Maximum £10,000.
Total	£300,000		Maximum £30,000.
